### 3. RWI's life.

Here's a new postcard for our listeners  
available on May 2025.

### 4. How we are making our play-list.

1° Most of the songs are received in mp3 or wav  
files on our cell phone; we put them in a specific  
directory depending of our sources (over 50)  
And store them on the SD of the phone.

2° We are typing all infos in Dbase III Base.

Example:

TRI to do selection

PRG

Index of our playlist to extract playlist txt file

TITLE & SINGER

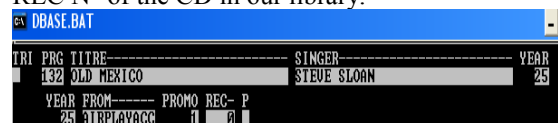

YEAR year of reception of songs

FROM source of music

PROMO

=1 for free music, 2 for music or CD we buy.

REC N° of the CD in our library.

3° Our txt playlist file is converted to PDF

It's in alphabetic order for easy search.
